## Worship

Worship is the highest and noblest act that any person can do. When men worship, God is satisfied! "The Father seeketh such to worship Him." Amazing, isn't it? And when you worship, you are fulfilled! Think about this: why did Jesus Christ come? He came to make worshipers out of rebels. We who were once self-centered have to be completely changed so that we can shift our attention outside of ourselves and become able to worship Him.
