A Confession of Faith

I believe in God, who is for me spirit, love, the principle of all things.

I believe that God is in me, as I am in Him.

I believe that the true welfare of man consists in fulfilling the will of God.

I believe that from the fulfillment of the will of God there can follow nothing but that which is good for me and for all men.

I believe that the will of God is that every man should love his fellow men, and should act toward others as he desires that they should act toward him.

I believe that the reason of life is for each of us simply to grow in love.

I believe that this growth in love will contribute more than any other force to establish the Kingdom of God on earth.
